

# **The Primary** PE and sport premium

Planning, reporting and evaluating website tool

**Commissioned by** 

Department for Education

**Created by** 

This template can be used for multiple purposes:

• It enables schools to effectively plan their use of the Primary PE and sport premium

 It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium

 It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make additional and sustainable improvements to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use

they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated <a href="Primary PE">Primary PE</a> and sport premium guidance.

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.** 

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

#### Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

| Activity/Action                                | Impact | Comments   |
|--|--------|--|
| Membership for local School Sports Partnership | 1. '   | Membership will continue to allow these successes. |

| Encouraged active playtimes | Children active during playtimes. Play leaders organising activities. Lots of equipment provided and pupils enjoying using it.                    | New play leaders for 24/25.<br>New equipment bought.<br>Active playtimes encouraged.       |
|-----------------------------|---|--|
| Spare kit purchased         | Kit in school used by many children to enable them to take part in PE lessons.  | More kit to be purchased this year to enable children to continue to take part in lessons. |
| Get Set 4 PE used.          | Successful roll out across school. Teaching staff able to use resources online. Children used to lesson structure. Clear planning and resourcing. | Membership to continue in 24/25.   |
| Restock of equipment        | Equipment bought to enable successful teaching based on what was needed for PE lessons.   | Some equipment needs replacing and new equipment to be bought for 24/25.                   |

| Awards, stickers medals etc. purchased.                      | Children enjoy celebrating their successes from various events. Raising the profile of sports in school.   | More bought in 24/25 to enable children to celebrate their success. |
|--|--|---|
| Sports coaches for CPD and to broaden children's curriculum. | Staff upskilled and more confident in their own teaching. Children enjoy high-quality lessons. Dance teacher coached for Dance Umbrella event for all of year 2 and year 6 to perform at Bath Forum. |   |
| Top up swimming for year 6                                   | Impact on final data about swimming in year 6. Children who do not swim outside of school able to access swimming lessons.   | To continue in 24/25  |
| Cover of classes   | More events attended during the school day as PE lead and other teachers were able to attend which in turn enabled children to attend.   | To continue in 24/25  |

## **Key priorities and Planning**

This planning template will allow schools to accurately plan their spending.

| Supplementing the cost of after school clubs to enable all children to access sports out of lessons. | PE lead<br>All pupils | Key indicator 1: The engagement of all pupils in regular physical activity  Key indicator 4: Broader experience of a range of sports and activities offered to all pupils | Pupils enjoy after school sports but it is an additional cost for parents. Supplementing the cost will offer opportunities to those who can't normally access them. | £1000 |

| Cost of transport to sporting events such as the Dance Umbrella and other competitive events.             | PE lead All children taking part                             | Key indicator 1: The engagement of all pupils in regular physical activity  Key indicator 5: Increased participation in competitive sport | Covering the cost of transport to and from events will allow children who are usually unable to attend to access sporting events.                              | £1000 |
|---|--|---|--|-------|
| Cost of supply cover to enable staff to attend events, therefore allowing more children to attend events. | PE lead Teachers involved in events All children taking part | Key indicator 5: Increased participation in competitive sport   | Covering the cost of supply will enable staff to attend events that we would otherwise not be able to attend, in turn enabling more children to attend events. | £1000 |

#### Key achievements 2024-2025

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

| Activity/Action                                   | Impact  | Comments   |
|---|---|--|
| Membership for local School<br>Sports Partnership | Over 35 events attended across the year. All KS2 children participated in at least one event. Year 2 and Year 6 performed at the Dance Umbrella. Staff accessed CPD and playground leaders received training. | Continued strong engagement with SSP. Positive feedback from pupils and staff. Membership renewed for 2025–2026. |
| Active playtimes and new equipment                | Increased physical activity during break times. Play leaders led structured games Basketball continues to be a popular activity.  | Equipment well-used and maintained. New play leaders to be trained for next year.                                |
| Spare kit provision                               | Ensured all pupils could participate in PE regardless of personal kit availability.   | Additional kit purchased. Will continue to monitor stock.  |
| Get Set 4 PE scheme                               | Consistent lesson structure and progression across year groups. Staff confident using the platform.   | Subject lead introduced skill assessments.<br>Membership renewed.  |
| PE equipment restock                              | All PE lessons fully resourced. Enabled delivery of a broader curriculum.   | Equipment audit completed. Plan in place for 2025–2026 restock.  |
| Awards and celebration resources                  | Raised profile of PE and sport. Pupils motivated by recognition in assemblies and sports day.   | Positive impact on pupil morale and participation. Continued investment planned.                                 |
| Sports coaches and CPD                            | High-quality lessons delivered. Staff confidence improved. Clubs offered in football, dance, rugby (Basket Ball), and basketball.   | Pupil feedback very positive. PP and others children supported with club access.                                 |
| Top-up swimming for Year 6                        | Increased number of pupils meeting NC swimming requirements.  | Continued focus on self-rescue skills. Will repeat next year.  |
| Transport to events                               | Enabled wider participation in off-site competitions and festivals.   | Helped ensure inclusivity. Essential for continued access.   |
| Supply cover for events                           | Allowed more staff to accompany pupils to events. Increased pupil participation.  | Effective use of funding. Will continue next year.   |

### **Swimming Data**

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

| Question   | Stats:                   | Further context Relative to local challenges   |
|--|--------------------------|--|
| What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?        | 68.57%<br>24/35 children | All mainstream y6 children have attended swimming lessons for terms 1+2 this year. This is following on from swimming throughout the whole of year 4.  One of our children could previously swim 25 meters but no longer can due to a development in his physical disability.  The y6 child in our specialist class has 1:2 coaching for 2 terms a year and is focusing on building confidence in the water. |
| What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]? | 68.57%<br>24/35 children | All mainstream children have attended swimming lessons throughout year 4 and for terms 1+2 in year 6. This has enabled them to develop a range of strokes.   |

| What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?   | 40% 14/35 | The top swimming group were assessed on self-rescue skills at the end of term 2 in year 6. |
|---|-----------|--|
| If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this? | Yes       |  |
| Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?   | Yes       | TA who coaches swimming has attended training provided by the local Sports Partnership.    |
