School Newsletter

7th June 2024 Term 6 Newsletter 1

Dear Parents and Carers,

After a few weeks of waiting, we have finally been able to share the outcome of our recent Ofsted inspection and are so pleased to announce that we have been graded a 'Good' school. This brilliant result is down to the dedication and hard work of everyone in our school community and of course, the fantastic children that we have the pleasure of teaching every day. A huge thank you to you all. The report can be found on our school website if you haven't managed to read it yet.

It was lovely to see everyone at the Summer Fair on Wednesday and the children have told us that it was, "The best ever!" We hope you all had fun on the stalls and managed to win lots of prizes. The effort that the PTFA put into making special events like this never ceases to amaze us and we hope you'll join us in thanking them for their boundless energy and for putting on a great event for our families.

We have had an increase in the number of people using our bridge gate entrance recently and it's so positive to see this being used. Please may we remind parents to park respectfully at all times and avoid blocking the road for any length of time. There have been instances of the road being completely blocked and this isn't fair or safe for the families that live there. We thank you for your support with this matter.

Have a great weekend!

Mr Low & Mrs Simmons
