School Newsletter

21st June 2024 Term 6 Newsletter 3

Dear Parents and Carers,

Just before home time today, we could hear Year 6 children practising their singing for their leavers play and it reminded us that this term is whizzing by and summer will soon be here. At the other end of the school, we have been joined this week by our new reception starters who have been coming in for play sessions and to sample Gregs great cooking! They are all settling in so well already and our current reception class have been super role models for them all.

The sun has finally made an appearance and teachers and children have had a chance to get their green fingers into the planters around school. These are being done a little later than usual after all the wet weather but hopefully the children will get plenty of gardening time before the holidays. Miss Parrott has been working hard on the planters around the front of school so please help us to look after these by preventing young children from picking the flowers and plants at pick up and drop off times.

The Year 5 & 6 Quaddkids team headed up to St Benedict's School earlier in the week to take part in an afternoon of competitive athletics. They all performed brilliantly and were even supported by some Year 4 siblings who stepped in to have a go! Fantastic attitude everyone!

Have a super weekend!

Mr Low & Mrs Simmons
