

BULLETIN

Week commencing Monday 14th September

Changes in Behaviour

Changes in mood, behaviour or attendance can sometimes indicate a child needs extra support. Sharing concerns early helps school respond appropriately. Click the link for local advice.

SCHOOL UPDATES

We have had a wonderful start to the new school year and children have settled well into their new classes. We would like to thank all parents and carers for their patience and understanding whilst we have been working to resolve the recent issues with Arbor. We hope that these issues have now been successfully resolved.

Please take note of the following important reminders:

- Please ensure that school dinners are booked in advance for your child/children. If a school dinner is no longer required, the booking must be cancelled in advance.
- Children are not permitted to wear nail varnish in school. Please ensure that any nail varnish is removed before your child arrives at school.
- Children may wear small stud earrings. Any other jewellery is not permitted and, if worn to school, your child will be asked to remove it.
- Please ensure that children come to school with their hair tied back, where appropriate, in accordance with our school expectations.
- Please ensure that children are wearing the correct uniform, especially on PE days. Our uniform policy can be found on our school website. There have been a number of children this week wearing branded clothes in a variety of colours.
